

In accordance with the compliance with the European Radio Equipment Directive (RED), which came into effect in August 2025, it is necessary to upgrade the firmware and user application of each model.

Panasonic Projector&Display Corp.

The combinations of firmware and user applications before and after RED support are as follows.

Application	Model Firm • Tool Ver.	PT-RQ50K		PT-RQ35K2	PT-RZ34K2	PT-RQ25K		PT-RZ24K		PT-REQ15		PT-REZ15		PT-REQ12		PT-REZ12		PT-MZ20K

*1: Set [Command Protect] to [Enabled (MD5)]. Use VSS2.0 after the VSS2.0 release.

*2: Use the latest application. If the version listed in the table has not been released, set [Command Protect] in the console's settings to [Enabled (MD5)].
